Currently we are conducting registration at NO COST to gauge interest in participation.

No Cost registration will be open from February 19th through March 12th.

We will allow all pre-registered participants to participate for free the week of March 8th. At the conclusion of that week, all participants who want to continue will have to pay a \$25 fee for the rest of the season.

Due to Covid-19, the Bloomfield Parks, Recreation & Cultural Affairs Department will conduct wrestling conditioning and practices to keep our athletes body's fit and wrestling skills sharp.

Currently there are only a few other communities sponsoring a wrestling team. We hope to be able to schedule a few matches towards the end of the wrestling season.

For the safety of our wrestlers and coaches, we are following wrestling guidelines set forth by the New Jersey State Interscholastic Athletic Association.

If you are currently in 5th through 8th grade and are interested in participating in wrestling please register through the following link:

The Bloomfield Parks, Recreation & Cultural Affairs Department has strict policies and procedures to address the Covid-19 pandemic.

Both athletes and coaches are required to fill out a daily pre-screen health form as well as the implementation of disinfecting policies, safety guidelines and procedures as well as a return to play policy. All of these policies can be viewed during the no cost pre-registration process.
